What is prep'd?
prep'd is dedicated software for Extemp.
prep'd helps extempers research, practice, and compete.
For coaches, prep'd facilitates learning as an educational tool.

What can prep'd do?
Catch – Easily capture articles from the web and save them to folders.
Clean – Articles are “cleaned” to display their main content.
Organize – Folders can be filtered, organized, and edited.
Favorite – Mark important articles as favorites for easy access.
Round – Create a round to navigate among articles while competing.

What are the different components of prep’d?
Article Catcher – Easily save (or “catch”) articles from the Internet with a web widget that runs on the Google Chrome browser.
Dashboard – Access and organize articles and files online, with a simple to use web app. Also, prepare for rounds with the “Round Manager” when online access is allowed.
Chrome App – Prepd’s offline solution is an application that runs on Google Chrome. The Chrome App syncs with your Team’s Dashboard to provide offline access to your articles.
Mobile Apps – For Extempers that use iPads or Android Tablets in draw, Prepd’s mobile apps are for you! Anticipated release: Fall ‘13.

How do I sign up?
Go to app.prepd.in/signup and sign up as either a coach or student.
Questions? Feel free to email extemp@prepd.in

Built by Extempers, for Extempers, prep’d is truly unique!

Call for Manuscripts

Texas Speech Communication Journal
Volume 39

The Texas Speech Communication Journal issues a call for papers that focus on Hispanic/Latino/a Studies in Communication. Contributors may approach the topic from a variety of methodological perspectives. Manuscripts should be received no later than March 30, 2014. Manuscripts not devoted to the topic of Hispanic/Latino/a Studies in Communication will be considered for the research section of the issue as space allows. TSCJ follows a policy of blind review so no author identification should appear in the body of the manuscript.

Manuscripts should not exceed 25 pages and be written according to the Publication Manual of the American Psychological Association (6th edition). The title page should include the author's name, academic position, institutional affiliation, full mailing address, telephone number, email address, brief author bio, and a history of the manuscript (presentation at conferences). An abstract of not more than 150 words should accompany the manuscript. The author should also include keywords for the article. Email submissions are preferred for both manuscripts and teaching tips (either in WordPerfect or Word).

Queries and manuscript submissions should be sent via email to:

TSCA Conference 2014

Call for Papers and Panels

TEACHING RESPONSIBILITY IN AN IRRESPONSIBLE WORLD

Educators on all levels are expected to teach more than the outcomes in their field. With new state requirements Social Responsibility and Personal Responsibility are expected to be taught in core courses taught at the college and/or university level beginning Fall 2014. How is this effecting us as educators not only on the college level but in high schools and middle schools as well. How do we teach this generation of students? What lessons are we learning about ourselves as Educators? And most of all can responsibility be taught?

Join us by sharing your research and ideas at the 2014 TSCA Conference in Lubbock.

October (exact dates TBD), 2014

- Send all program questions and comments to Mellessa Denny, mellessa.denny@amaisd.org
- Submit panels through your interest group chairs OR send directly to Mellessa Denny.
