## ABOUT ME

When I'm not traveling to tournaments with my high school team, I'm actively supporting the growth of elementary and middle school speech and debate programs across our district. I host summer professional development sessions for coaches and have coordinated two successful Prosper ISD Speech & Debate Camps focused on UIL events, helping younger students and educators build strong foundations in competitive speaking.

## WORK EXPERIENCE

### PROSPER ISD CLASSROOM TEACHER

Director of Speech & Debate | AP Research | Assistant UIL Coordinator | Assistant Tournament Director for Prosper ISD Elementary/Middle School Speech

Serving as the Director of Speech & Debate, AP Research Instructor, Assistant UIL Coordinator, and Assistant Tournament Director for Prosper ISD's Elementary and Middle School Speech program (15 campuses). I plan and run district tournaments, build partnerships in the community, and mentor student leaders. By focusing on relationships, coaching, and a welcoming team culture, my students regularly advance to state and national championship tournaments while growing their skills in academics, critical thinking, and leadership.

### UIL REGION 10 ASSISTANT REGIONAL DIRECTOR

As UIL Region 10 Assistant Regional Director, I coordinate with district UIL coordinators to prepare campuses for two regional tournaments hosted on one campus. On tournament days, I work closely with both 5A and 6A directors to manage setup, clarify rules, handle prose and poetry documentation, and assist in SpeechWire software.

### TFA DIGITAL CONTENT COORDINATOR

For the past two years, I have overseen the creation, management, and strategy of digital content to strengthen TFA's online presence and engagement across platforms such as Instagram, Facebook, and a newly redesigned website. I launched and managed a design contest for the NSDA 100th Anniversary, regularly spotlight coaches, keep audiences informed with timely updates, and have expanded communication efforts to better engage youth audiences.
